## **Staying Connected with Assignments...**

Parents can stay on top of each day's assignment list by either checking out the tweet of the day's agenda or visiting the HW page to see it ([www.flyparsons.info](http://www.flyparsons.info)). Students are responsible to show their completed agenda to their parents each evening to get it initialed. Please note this change since last week. Instead of going to Campus and Schoology for grading and averages, all grading will be recorded through Schoology as it was last year. Parents may text or e-mail Mr. P if the parent access code to view Schoology is needed.

## **Responsibility with Devices...**

Students, please remember your laptop and iPad should be fully charged when coming to school each morning. Don't forget to bring both chargers and earbuds/headphones daily. It is very important that all your equipment is labeled with your name.

## **School Pictures...**

Students will have school pictures made on Thursday, September 9. An order form for those interested in purchasing school pictures was sent home last week.

## **TNReady/MAP Data...**

Students are receiving last spring's TNReady data as well as last month's MAP data. Progress reports that were scheduled to be issued today will not be issued. All grades and averages may be viewed in Schoology.

## **4-H Club in Mr. P's Class...**

4-H is the youth service club provided through the UT-TSU Extension. 4-H provides research-based educational experiences to gain knowledge, develop life skills, and form positive attitudes to prepare them to become capable, responsible, and compassionate adults. 4H will meet monthly. Within this 4-H club, we will elect officers, use parliamentary procedure, and prepare students for our three main competitions: public speaking, a poster contest, and an interactive exhibit contest. For each competition, students will be awarded for their efforts and have the potential to qualify for the county and sub-regional levels. Along with these competitions, educational content that aligns with Tennessee State Standards will be covered. Topics such as communication, teamwork, citizenship, nutrition, STEM, self-esteem, and leadership are just a few. To learn more about 4-H, follow them on Instagram, Twitter, or Facebook @4hnashville. The 4H motto is "learn by doing!"

## **Student Council...**

Congrats to our class representatives James McRae and Sally Gandhi. Our student council reps will attend meetings during enrichment Wednesdays and bring back important information for our class. For now, those meetings will be held electronically via e-mail.

## **Student of the Week in Mr. P's Class...**

Each week a different student is spotlighted as Mr. P's Student of the Week. Students may bring photos and mementos of themselves and their family to share on our board. Please notice the schedule for each student so you'll be ready. Students should bring their photos/mementos on the Friday before their week.

## **Snack Attack...**

We are looking for individually wrapped chips, granola bars, popcorn, Goldfish, Cheez-Its, peanut butter crackers, cheese crackers, or anything that makes a decent mid-morning snack to replenish the box each week. The "Snack Attack" box is open for students to use LiveSchool points to buy snack starting soon.

## **LiveSchool...**

LiveSchool is an app that tracks student effort and behavior. This app is fantastic because student effort is tracked which allows students to look at their behavior data. Students have real-time access to feedback as well as an immediate tally of class cash he/she has earned for Mr. P's General Store! Students have accessed LiveSchool through Clever.

## **Twitter Alerts...**

Stay up on our class tweets. Text **on @MeigsMagnet** to 404-04. This will allow all subscribers to follow our class on Twitter without necessarily being a Twitter user. Our Twitter account is where a photo of the agenda is regularly tweeted. Follow us on Twitter **@meigsmagnet**.

## **Class YouTube Channel...**
